## GALLERY VIEWS

Give the gift of art this season, from beautiful books filled with angelic paintings and captivating photography to unique hand-crafted pieces from local galleries.

"Angels in Our Midst," by Charlotte, N.C. artist Anne H. Neilson, features more than 100 works from her ethereal Angel Series, as well as the inspirational stories behind the paintings, in a lovely coffee-table book. After painting her first angel in 2003, Neilson "found her voice," reflecting her faith in brilliant brushstrokes of color, texture and layering. Her artistic success has led to an outpouring of support for charitable organizations and others less fortunate in her community, from disadvantaged children and the homeless to domestic violence shelters and hospice. Neilson's dramatic landscapes, still life and figure paintings are also included in the book. Available online at [www.anneneilsonfineart.com](http://www.anneneilsonfineart.com) and at Anne Inari Fine Art gallery in Atlanta. \$70.

ANNE NEILSON WILL BE IN ATLANTA FOR A BOOK SIGNING FROM 6-8 PM PM (EST) 11 AT ANNE INARI FINE ART. DURING THE GALLERY'S HOLIDAY PARTY. 686 MIAMI CIRCLE #100, 404.987.1000. [ANNENEILSONFINEART.COM](http://ANNENEILSONFINEART.COM)
